Lennox' **Feel The Love™** program brings much needed heating and cooling equipment to deserving families across the U.S. and Canada who need a helping hand.

Lennox donates the HVAC equipment, participating Lennox dealers donate installation materials and time, and the family that receives the donation pays **NOTHING!**

Nominees are selected to receive donated HVAC equipment based on a range of criteria, including (but not limited to) involvement in their community, military service, or financial hardship. **Essentially, if you think someone needs and/or deserves it, send us your nomination and tell us their story.**
